The Court orders that the motion to award sanctions for vexatious proceedings is GRANTED, for the reason that the appeal of this matter was taken without any reasonable basis for belief that there was a meritorious issue to be determined on appeal. MCR 7.216(C)(1)(a). This matter is REMANDED to the trial court for a determination of the amount of damages incurred by defendants-appellees while defending this appeal. The damages awarded shall be limited to actual damages incurred by defendants-appellees, which includes costs and a reasonable attorney fee. MCR 7.216(C)(2). We do not retain jurisdiction.
