

Court of Appeals, State of Michigan

ORDER

Maryrose Millington v City of Livonia

Docket No. **312036**

LC No. **12-011098-AW**

William B. Murphy, Chief Judge, acting under MCR 7.217(D)(2), orders:

The untimely motion to reinstate the appeal and set aside the assessment of costs is DENIED for failure to show mistake, inadvertence, or excusable neglect or offer any reasonable excuse for the delay in seeking reinstatement. The proffered "Appeal Transcript Demand, Order and Acknowledgement" form signed by Tracy Calhoun, which appellant's counsel filed with this Court on August 31, 2012, and again on October 5, 2012, is obviously not the certificate that court reporter Mary Loewy is required to furnish under MCR 7.210(B)(3)(a). The costs shall be paid to the Clerk of this Court within 14 days after the Clerk's certification of this order.
