

Court of Appeals, State of Michigan

ORDER

People of MI v Randall Dean Brooks

Docket No. 312639

LC No. 11-039277-FC

Karen M. Fort Hood
Presiding Judge

Kurtis T. Wilder

Cynthia Diane Stephens
Judges

The Court orders that the delayed application for leave to appeal is GRANTED limited to the issue raised as to the scoring of offense variable 1 of the sentencing guidelines. In all other respects, the delayed application is DENIED for lack of merit in the grounds presented, particularly as defendant provides only an unsupported allegation that an inaccurate presentence report may have been sent to the Department of Corrections. We note that this is without prejudice to defendant filing an appropriately supported motion in the trial court for relief regarding his claim that an inaccurate presentence report was sent to the Department of Corrections.

The time for taking further steps in this appeal runs from the date of the Clerk's certification of this order. MCR 7.205(D)(3).
