

**Court of Appeals, State of Michigan**

**ORDER**

In re Ewing Minors

Docket No. 313313

LC No. 12-001054-NA

Mark T. Boonstra  
Presiding Judge

Henry William Saad

Joel P. Hoekstra  
Judges

---

The Court clarifies that its May 9, 2013 opinion and order does not limit the discretion of the trial court with respect to the proofs, if any, to be taken on remand, but instead directs the consideration of certain matters as set forth in that opinion and order.

The Court also orders that the Petitioner's motion for reconsideration is DENIED.
