Court of Appeals, State of Michigan

ORDER

In re Ewing Minors

Mark T. Boonstra Presiding Judge

Docket No. 313313

Henry William Saad

LC No.

12-001054-NA

Joel P. Hoekstra

Judges

The Court clarifies that its May 9, 2013 opinion and order does not limit the discretion of the trial court with respect to the proofs, if any, to be taken on remand, but instead directs the consideration of certain matters as set forth in that opinion and order.

The Court also orders that the Petitioner's motion for reconsideration is DENIED.
