ORDER

Benjamin Hansen v Department of Human Services

Docket No. 314698

LC No. 12-008280-AS

Stephen L. Borrello

Judges

The Court orders that the application for leave to appeal is DENIED for lack of merit in the grounds presented.

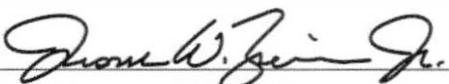

Ronayne Krause, J., would grant the application for leave to appeal or in lieu of granting, remand to vacate a part of the trial court's order. The circuit court incorrectly found that in order for an employee or volunteer of a child care facility who has perpetrated child abuse to be placed on the central registry, the employee or volunteer must be an employee or volunteer at the child care facility at the time that they are placed on the registry. Rather, the law requires registry if the perpetrator is an employee or volunteer at a child care facility at the time that they committed the act of abuse. MCL 722.628d(4). Therefore, that part of the trial court's decision should be reversed.
