The Court orders that the motion for reconsideration is DENIED. Appellant has not established that the January 24, 2013 order or the underlying December 19, 2012 order is a final order appealable of right. Indeed, he includes no analysis of whether either of those orders is a final order under MCR 7.202(6)(a)(i) or any of the other definitions of a final order in a civil case under MCR 7.202(6)(a) so as to be appealable of right under MCR 7.203(A)(1). Further, that the consent judgment dated January 26, 2011 includes language alluding to the possibility of postjudgment orders being entered does not mean that it is not a final judgment under MCR 7.202(6)(a)(i).
