The Court orders that the motion for reconsideration of this Court's June 20, 2013 order is DENIED. The March 26, 2013 circuit court order cannot be a final order under MCR 7.202(6)(a)(i) because it does not fully adjudicate the rights and liabilities of the parties as to the present dispute in light of the future accounting required by that order. We note that pursuant to MCR 7.205(F)(5) appellant may file a delayed application for leave to appeal the March 26, 2013 order within 21 days of the date of this order.
