Docket No. 316498

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED for failure to demonstrate that the issue must be initially addressed by the trial court or for failure to demonstrate that factual development of the record is required. However, defendant-appellant has now preserved his objection on constitutional grounds to the imposition of any form of a life sentence because he was a juvenile at the time of the offense by raising that issue in his motion to remand.
