

Court of Appeals, State of Michigan

ORDER

People of MI v Eric Eugene Ellis

Docket No. 317432

LC No. 13-000846-01-FH

Michael J. Talbot
Presiding Judge

Kirsten Frank Kelly

Michael J. Riordan
Judges

It appearing to the Court, upon initial reading, that defendant-appellant's application for leave to appeal has some merit and a response from the prosecution would aid the Court in deciding the matter, the Court directs the Wayne County Prosecutor to file an answer to the delayed application for leave to appeal within 21 days after the Clerk's certification of this order.
