

Court of Appeals, State of Michigan

ORDER

Francis McGeorge v Katherine Ling-McGeorge

Docket No. 317785

LC No. 2005-708246-DM

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the June 18, 2013, and July 31, 2013, orders appealed from are not final orders as defined in MCR 7.202(6). MCR 7.203(A)(1). The postjudgment orders regarding parenting time cannot be considered orders affecting the custody of a minor under MCR 7.202(6)(a)(iii). In fact, the July 31, 2013 order indicates that the plaintiff admitted that the case did not involve a request to change custody but merely sought a specific parenting time schedule. At this time, appellant may seek to appeal the orders only by filing an application for leave to appeal under MCR 7.205(F).
