

Court of Appeals, State of Michigan

ORDER

Clifton P Moffat v Department of Corrections

Docket No. 317810

LC No. 13-000025-MP

Stephen L. Borrello
Presiding Judge

William C. Whitbeck

Amy Ronayne Krause
Judges

The Court orders that the motion to waive motion and transcript fees is GRANTED IN PART AND DENIED IN PART. The motion is GRANTED TO THE EXTENT that appellant is not required to pay motion fees for motions he files in this appeal. However, the motion is DENIED with regard to his request to waive transcript fees because that request is properly addressed to the trial court. Accordingly, the denial of the request to waive transcript fees is without prejudice to the trial court's consideration of whether to grant such relief to appellant.

The motion for stay in abeyance of appeal and for direction and permission is also GRANTED IN PART AND DENIED IN PART. The motion is GRANTED TO THE EXTENT that the claim of appeal is accepted as timely filed under MCR 7.204(A)(3). In all other respects, the motion is DENIED.
