People of MI v Logan Scott Gaines

Docket Nos. 310367; 310368; 310369

The Court orders that the motion to remand is DENIED because it is untimely and for failure to persuade the Court of the necessity of a remand at this time. Particularly, defendant's claims of ineffective assistance of counsel do not appear to require development of a further factual record for proper review of trial counsel's performance by the case call panel.
