Judges

The Court orders that the May 13, 2014 published opinion in these consolidated cases is AMENDED to correct clerical errors. On page 5 of the opinion, the references to MCL 2.403(K)(3) are corrected to read: MCR 2.403(K)(2); and in the 5th paragraph of that page, the last sentence should read:

Because MCR 2.403(K)(2) requires the case evaluation panel to issue a separate award as to each plaintiff against each defendant, if the case evaluation panel follows MCR 2.403(K)(2), a plaintiff will be able to accept awards against some defendants while rejecting awards against other defendants.

The clerk is directed to provide a copy of this order to the reporter's office who will make these changes during the publishing process. In all other respects, the May 13, 2014 opinion remains unchanged.
