People of MI v Rickey White

Docket No. 315579

LC No. 2012-242010-FH

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED. Defendant-appellant previously moved for an evidentiary hearing based on most of the affidavits provided with his motion to remand, but the trial court denied that request. Defendant-appellant has not shown that the trial court's decision to deny an evidentiary hearing was erroneous or that an evidentiary hearing is necessary for this Court to review the case. Furthermore, defendant-appellant has not properly shown that the statements included in Cynthia Jackson's affidavit would likely change the trial court's decision to deny defendant-appellant's motion to withdraw his guilty plea or be resentenced consistent with the evaluation of his case under *People v Cobbs*, 443 Mich 276; 505 NW2d 208 (1993).
