Ernest K. Bateson v Estate of Warren Hamill

Docket No. **317116**

LC No. **12-000988-CH**

William B. Murphy, Chief Judge, acting under MCR 7.216(A)(10) and MCR 7.217, orders:

On June 12, 2014, this Court entered an order directing appellant to file a conforming brief within 14 days and, if not filed within that time, the Clerk of this Court would submit the appeal for involuntary dismissal without further notice to the parties. MCR 7.217. Appellant has violated that order by filing the brief beyond the date specified. It is therefore ordered that this appeal is INVOLUNTARILY DISMISSED for want of prosecution. The appellant's brief received by the Clerk on June 27, 2014 shall be returned with this order.
