Judges

The Court orders that the motion to dismiss is GRANTED and the claim of appeal and claim of cross appeal are DISMISSED for lack of jurisdiction, the finality of the order appealed from having been abrogated by the trial court's reinstatement of the City of Dearborn's counterclaim on authority of this Court's order of remand. Appellant may file another claim of appeal when an order is entered that finally disposes of the pending counterclaim. Under the circumstances, the Court orders that no filing fee shall be required for a subsequent claim of appeal from appellant Weiss Construction Co., LLC; the filing fee shall be considered as having already been paid by the filing fee paid for the instant claim of appeal. Appellant shall include a copy of this order with the subsequently filed claim of appeal.
