Judges

The motion to seal the file in part is GRANTED. To preserve the confidentiality of commercially sensitive, confidential and propriety information, the Court finds good cause to seal all filings containing "confidential information" as that term is defined in the circuit court's protective order, or containing information, terms, or documents that are subject to the early termination agreement's confidentiality provision (paragraph 7). The Court determines that there are no less restrictive means to adequately and effectively protect the interest asserted. MCR 7.211(C)(9)(e). The parties may submit all such materials in sealed form.

The Clerk shall disclose or provide copies of any order or opinion entered in this appeal, MCR 8.119(I)(5); MCR 7.211(C)(9)(c), but sealed pleadings or other contents of the file shall not be disclosed or made available for public viewing.

The Clerk is directed to forward a copy of this order to the Clerk of the Supreme Court and to the State Court Administrative Office. MCR 8.119(I)(7); MCR 7.211(C)(9)(c).
