People of MI v Gary Juwann Guyton

Docket No. 317970

LC No. 12-010942-01-FC

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED. While defendant-appellant has included an offer of proof with his motion to remand, he has not explained what specific facts he would develop at an evidentiary hearing to support his argument. It otherwise appears that this Court can address defendant-appellant's issue regarding ineffective assistance of counsel based on the existing record.
