Docket No. 318230

LC No. 06-001387-DM

---

The Court orders that appellee's motion to dismiss the claim of appeal as moot is DENIED. It appears that this Court could, if it determined it appropriate to do so based on the merits of this appeal, grant practical relief to appellant by reversing the order appealed from and ordering a return to a joint custody arrangement. Also, holdings by this Court as to the custody dispute may guide the trial court in further decisions in this matter. Thus, this appeal does not appear to be moot because it is not impossible for this Court to grant relief. *C.D. Barnes Associates, Inc v Star Heaven, LLC*, 300 Mich App 389, 406; 834 NW2d 878 (2013).

Appellant's motion for peremptory reversal is DENIED for failure to persuade the Court of manifest reversible error warranting reversal without formal argument or submission.
