

Court of Appeals, State of Michigan

ORDER

Laura Ann Meisel v Brandon James Pattison

Docket No. 318308

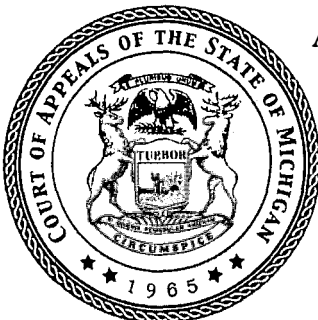

LC No. 04-017020-DM

Judges

The Court orders that the motion to dismiss this appeal as moot is DENIED because appellee has not established that this appeal is moot where he has not shown that the September 3, 2013 order appealed from is no longer in effect or that this Court could not grant meaningful relief to appellant in this appeal. We emphasize that the critical inquiry for determining whether an appeal is moot is whether this Court *can* fashion a remedy. Cf. *Silich v Rongers*, 302 Mich App 137, 151-152; 840 NW2d 1 (2013). Whether this Court *should* provide a remedy concerns the merits of an appeal, not whether the appeal is moot.
