The Court orders that in lieu of granting the delayed application for leave to appeal, this case is REMANDED to the trial court for correction of the judgment of sentence. While there was no error in the trial court sentencing defendant to a jail sentence of time served the trial court is directed to correct the judgment of sentence to reflect that this sentence actually constituted a sentence of 127 days with credit for 127 days served because defendant is entitled to credit for the 16 days he was held in Iowa awaiting extradition to Michigan. *People v Becker*, 114 Mich App 145; 318 NW2d 506 (1982).
