Judges

The Court orders that the motion to waive fees is GRANTED and fees are WAIVED for this case only.

The delayed application for leave to appeal is DENIED because defendant seeks leave to appeal an order denying a successive motion for relief from judgment and has failed to establish a retroactive change in the law regarding the application of *Miller v Alabama*, 567 US __; 132 S Ct 2455; 183 L Ed 2d 407 (2012) to his sentence.
