The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED WITHOUT PREJUDICE. In lieu of granting the requested remand to the trial court at this time to supplement the record on matters that were discovered after the trial court issued the orders appellant has challenged on appeal, appellee Melissa Dykman may submit a supplemental brief within 21 days of the issuance of this order, addressing the argument raised in the motion to remand and requesting a remand to the trial court to explore that issue should this Court reverse the trial court's decisions regarding appellant's request for attorneys fees.

Appellant and the other appellees shall have 21 days to file responses to any supplemental brief filed by appellee Melissa Dykman.
