

**Court of Appeals, State of Michigan**

**ORDER**

**Rebecca Lee Turner v Michael James Dyer**

Docket No.   **320528**

LC No.       **11-026431-DM**

---

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the February 7, 2014 order denying appellant's motion to change the domicile of the parties' minor child is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). That order is not a final order under MCR 7.202(6)(a)(iii) because the denial of the motion to change domicile does not affect the custody of the parties' child where he would have remained in appellant's primary physical custody regardless of whether that motion were granted or denied. Appellant may seek to appeal the February 7, 2014 order by filing a delayed application for leave to appeal under MCR 7.205(G).
