

Court of Appeals, State of Michigan

ORDER

John Lechner v Robin A Lechner

Docket No. **321250**

LC No. **13-013005-CZ**

William B. Murphy, Chief Judge, acting under MCR 7.211(E)(2), orders:

Appellant's motion requesting this Court order his former counsel to tender a civil file to appellant is DENIED because it appears that this Court does not have jurisdiction over the former counsel in this appeal since the former counsel is not a party to this case and has not acted as an attorney in this appeal. Notably, *Britt v North Carolina*, 404 US 226; 92 S Ct 431; 30 L Ed 2d 400 (1971), concerning a state's obligation to provide transcripts of criminal proceedings is inapplicable to this civil appeal.
