Docket No. 321365

LC No. 10-005910 FH

---

The Court orders that the delayed application for leave to appeal is DENIED because defendant has failed to meet the burden of establishing entitlement to relief under MCR 6.508(D).

The motion to waive fees is GRANTED.

Wilder, J., would deny the delayed application for leave because the defendant alleges grounds for relief that could have been raised previously and he has failed to establish both good cause for failing to previously raise the issues and actual prejudice from the irregularities alleged, and has not established that good cause should be waived. Wilder, J., would further deny appellant's application for leave to appeal on the basis of ineffective appellate assistance of counsel for lack of merit.
