People of MI v Bryan Junior Mays

LC No. 11-006201-FH

---

The Court orders that the motion to extend time to file an application for leave to appeal is DENIED as moot. The delayed application for leave to appeal is properly viewed as seeking leave to appeal the March 10, 2014 amended judgment of sentence because that is the judgment of sentence presently in force, and the delayed application is aimed at setting aside the plea and sentence reflected in that amended judgment of sentence. Thus, the delayed application was actually filed within the six-month time limit of MCR 7.205(G)(3).
