

**Court of Appeals, State of Michigan**

**ORDER**

**In re Menefee**

Docket No.   **322856**

LC No.       **14-001405-AS**

---

William B. Murphy, Chief Judge, acting under MCR 7.211(E), orders:

On the Court's own motion, the delayed application for leave to appeal is DISMISSED because appellant, a prisoner under the jurisdiction of the Department of Corrections, filed this case even though he owes an outstanding balance in *Rico Menefee v Department of Corrections*, Docket No. 315557. A prisoner who is under the Department's jurisdiction cannot file another civil appeal or original action until the prisoner pays the outstanding balance owed in an earlier civil appeal or original action filed while under the Department's jurisdiction. MCL 600.2963(8).

The motion captioned as a motion "to reconsider the Court Clerk's Reason Denial of Access to the Court" is DENIED because it presents no meaningful legal argument to justify this Court declining to apply MCL 600.2963(8) to dismiss this appeal based on the outstanding fee owed in Docket No. 315557.
