William B. Murphy, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motions for immediate consideration are GRANTED.

The motions to extend time to file appellee's brief and to extend page limitations for appellee's brief are also GRANTED. Appellee may timely file a single consolidated brief up to 70 pages in length, exclusive of tables, indexes, and appendixes, by December 3, 2014. The Court notes that the entry of the order consolidating these appeals on October 28, 2014 provides good cause to extend the time for appellee to file its motion seeking to extend the page limitations for its brief.
