---

In lieu of granting the delayed application for leave to appeal, the judgment of sentence is VACATED and this case is REMANDED for resentencing because the trial court's imposition of both a 12-month jail term and a requirement to complete the Special Alternative to Incarceration program with the Department of Corrections constitutes a departure from the sentencing guidelines that was not supported by the articulation of substantial and compelling reasons as required by MCL 769.34(4)(a). MCR 7.205(E)(2).

We do not retain jurisdiction.
