The Court orders that the October 20, 2015 opinion is hereby AMENDED. The opinion contained the following clerical error: The first sentence of the last paragraph in section IV of the opinion should have read: "The Tax Tribunal did not err in finding that the highest and best use for the property was with planned development zoning, and therefore, did not err in finding that the special assessment was valid because the benefits of the special assessments to the subject property outweighed the costs.".

In all other respects, the October 20, 2015 opinion remains unchanged.

The Court further orders that the motion for reconsideration is DENIED.
