The Court orders that the motion for guidance is treated as a motion for clarification and GRANTED. The amended claim of appeal filed with this Court on April 27, 2015, was not treated as a claim of appeal of the defendant's second-degree murder conviction and there is no appeal currently pending in the Court of Appeals regarding the murder conviction. Because defendant pleaded no contest to second-degree murder, any appeal must come to the Court of Appeals by application for leave to appeal. MCR 7.203(A)(1)(b); MCR 7.205.

Further, defendant-appellant's motion to extend time to file appellant's brief with regard to the armed robbery and weapons convictions is GRANTED. Appellant's brief is due 56 days from the date of this order.
