The motion to dismiss this appeal is DENIED. The procedural deficiencies advanced by appellee do not warrant the harsh sanction of dismissal. Further, appellee has not established that this Court lacks jurisdiction over this appeal. We note that the claim of appeal was taken from a circuit court order, not a district court order.

The motion to strike appellant's brief is also DENIED.

The motion to extend time to file appellee's brief is GRANTED. Appellee's brief shall be due 35 days after the date of this order.
