Judges

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED. Defendant-appellant has not shown that further factual development of the record or an initial ruling by the trial court is necessary at this time in order for this Court to address the issues on appeal. However, defendant-appellant has preserved for appellate review any objections to the scoring of the sentencing guidelines raised in his motion to remand, provided those objections were not previously waived. MCR 6.429(C).
