---

The Court orders that the motion for reconsideration is GRANTED. Accordingly, this Court's April 7, 2015 order is VACATED IN PART to the extent that it did not grant defendant-appellant's delayed application for leave to appeal. However, the provision of the April 7, 2015 order remanding this case to the trial court to allow defendant to move for determination of whether costs imposed were reasonably related to actual costs as required by MCL 769.1k(b)(ii) and *People v Konopka*, \_\_\_ Mich App \_\_\_, \_\_\_ NW2d \_\_\_ (Docket No. 319913, issued March 3, 2015), remains in force.

The delayed application for leave to appeal is GRANTED, limited to the issues raised in the delayed application. The time for taking further steps in this appeal runs from the date of this order, MCR 7.205(E)(3), except that defendant-appellant's brief on appeal shall be due 56 days after the later of the date of entry of the trial court's order disposing of the remand proceedings or the filing of the complete transcript of any hearings regarding the remand proceedings. Defendant-appellant shall provide the Clerk's Office of this Court a copy of any order entered by the trial court with regard to the remand proceedings and notice of the date of filing of any transcripts related to the remand proceedings.

This Court retains jurisdiction. However, the appeal will be submitted for a decision on the merits to an appropriately selected case call panel, not to this panel.
