People of MI v Leon Venegas Jr

Docket No. 325380

The Court orders that, on its own motion, the recordings submitted by defendant on September 24, 2015 are made part of the record for purposes of this appeal. MCR 7.216(A)(4). Because the case call panel will be able to consider those recordings in connection with any argument that defendant may make in his brief on appeal we are not persuaded that a remand to the trial court is necessary in relation to those recordings. Thus, the motion to remand is DENIED.
