

Court of Appeals, State of Michigan

ORDER

People of MI v Derrick Jerome Campbell

Docket No. 325446

LC No. 14-000669-FH

William B. Murphy
Presiding Judge

Douglas B. Shapiro

Mark T. Boonstra
Judges

The Court orders that the application for leave to appeal is DISMISSED for lack of jurisdiction with regard to Issue III only, because the circuit court had not entered an order denying the motion to quash before appellant filed his application on January 7, 2015; thus, the application is premature with regard to Issue III. MCR 7.203(B); MCR 7.205(A). In all other regards, the application for leave to appeal is DENIED for failure to persuade the Court of the need for immediate appellate review.

Shapiro, J., would grant leave to appeal.
