

Court of Appeals, State of Michigan

ORDER

Anthony V Marrocco v Oakland Macomb Interceptor Drain Drainage
District

Docket No. 326575

LC No. 2013-002615-CZ

Pat M. Donofrio
Presiding Judge

Kathleen Jansen

Henry William Saad
Judges

The Court orders that the motion to dismiss is DENIED. The order issued on March 5, 2015, is a final order and this Court has jurisdiction over this case. MCR 7.203(A); MCR 7.202(6)(a)(i).

As to plaintiff-appellee's claim that defendants-appellants have not ordered the entire transcript, MCR 7.210(B)(1) requires an appellant to produce transcripts of all proceedings in the case absent arrangements to appeal with less than the complete transcript. Although defendant-appellants indicate that they have already ordered the complete transcript, this Court only has a stenographer's certificate and notice of filing transcript for the following hearing dates: 11/13/13, 6/28/13, 7/11/13 and 11/24/14. Therefore, within 21 days of this order, defendants-appellants shall file either a stenographer's certificate or a notice of filing transcript for the following additional hearing dates: 7/31/13, 10/14/13, 3/3/14, 10/6/14 and 10/27/14 as required by MCR 7.210(B)(1)(a). The Clerk is directed to submit this appeal on the involuntary dismissal docket without further notice to the parties if defendants-appellants fail to comply with this order. MCR 7.217(A).
