

Court of Appeals, State of Michigan

ORDER

Anheuser Busch Inc v Department of Treasury

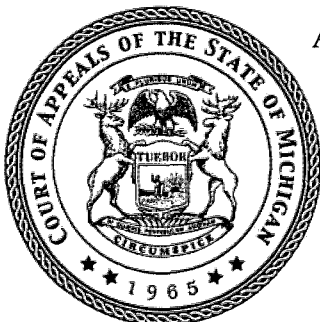

Docket No. **327057**

LC No. **11-000085-MT**

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

The motion for immediate consideration is GRANTED.

The motion to consolidate this appeal with the appeal in Court of Appeals Docket Number 325506 is DENIED. Notably, it appears manifest that ultimate resolution of each appeal will involve determination of questions of law regarding statutory interpretation and the constitutionality of provisions of 2014 PA 282 which are reviewed de novo. *Hunter v Hunter*, 484 Mich 247, 257; 771 NW2d 694 (2009). Accordingly, there appears to be no need to potentially cause delay by consolidating the present appeal with Docket Number 325506 based on documentary evidence as to factual matters that may be in the lower court record for either appeal.
