

**Court of Appeals, State of Michigan**

**ORDER**

**Edwina Malone v William A Martin MD**

Docket No. **327673**

LC No. **14-004621-NO**

---

Michael J. Talbot, Chief Judge, acting under MCR 7.201(B)(3), orders:

The claim of appeal is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with the entry fee or a completed affidavit of indigency to support the motion to waive fees, a proof of service of the claim of appeal on counsel for Samaritan Center, and a copy of the Wayne Circuit Court register of actions. Further, appellant has not filed a jurisdictional checklist and it is unclear whether appellant has ordered the complete transcripts, as no stenographer's certificate has been filed with this Court. Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules.
