

Court of Appeals, State of Michigan

ORDER

In re Ware Minors

Docket No. 327711

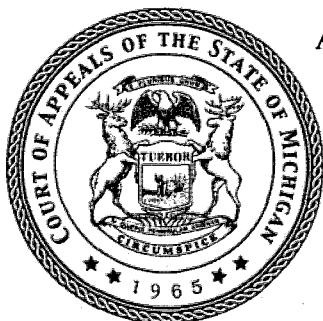

LC No. 2013-812007-NA

Christopher M. Murray
Presiding Judge

Joel P. Hoekstra

Kurtis T. Wilder
Judges

On the Court's own motion, this appeal is DISMISSED. The claim of appeal in Docket No. 327711 was filed from the same April 17, 2015, order that this panel has already affirmed in Docket No. 322566. The only issue raised in Docket No. 327711 is identical to the issue raised in the supplemental brief following remand in Docket No. 322566. Because the order appealed from in Docket No. 327711 has already been affirmed in 322566, there is nothing more to resolve in Docket No. 327711. The issue raised is moot and the appeal is dismissed on law of the case grounds. *Grievance Administrator v Lopatin*, 462 Mich 235, 260 (2000); *Johnson v White*, 430 Mich 47, 53; 420 NW2d 87 (1988); *Manistee v Manistee Firefighters Ass'n*, 174 Mich App 118, 125 (1989).
