ORDER

People of MI v Louis Earle Lacy-Garrett

Docket No. **328062**

LC No. **2012-004264-FH**

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

The motion to hold the delayed application for leave to appeal in abeyance is GRANTED. The trial court shall provide this Court with a copy of its order deciding appellate defense counsel's motion to withdraw within seven days of its entry (or seven days after the date of this order if the trial court has already entered such an order). Further, if the trial court grants the motion to withdraw, it shall provide this Court with a copy of its order appointing substitute appellate defense counsel within seven days of entry of such an order. If the trial court grants the motion to withdraw the delayed application shall be held in abeyance for a further 42 days from the date of entry of the trial court's order appointing substitute appellate defense counsel to allow that counsel a reasonable opportunity to review the case and file a motion in this Court to supplement or replace the delayed application or take other action deemed appropriate. In the event that the trial court denies the motion to withdraw the abeyance shall terminate upon this Court's receipt of the trial court order denying that motion.
