

Court of Appeals, State of Michigan

ORDER

Lansing Parkview LLC v K2M Group LLC

Docket No. 328507

LC No. 13-000723-CK

Patrick M. Meter
Presiding Judge

Michael J. Kelly

Amy Ronayne Krause
Judges

The Court orders that the motion for immediate consideration is GRANTED.

The motion to dismiss this appeal is DENIED because appellees have not established that this Court lacks jurisdiction over the claim of appeal. Appellees do not address that “a postjudgment order awarding or denying attorney fees and costs under MCR 2.403, 2.405, 2.625 or other law or court rule” is a distinct final order under MCR 7.202(6)(a)(iv). Thus, that the trial court contemplated entering a further order awarding attorney fees and costs does not establish that the judgment appealed from is not a final judgment under MCR 7.202(6)(a)(i). In this regard, it is inherent in the existence of MCR 7.202(6)(a)(iv) that a postjudgment order awarding attorney fees and costs is not considered part of the disposition of the claims in a case for purposes of MCR 7.202(6)(a)(i).
