---

The Court orders that the motion for reconsideration is DENIED because, regardless of the soundness of the rationale of this Court's September 9, 2015 order, this appeal is now moot in light of the claim of appeal filed in this matter in Court of Appeals Docket Number 330211 from the amended judgment of sentence entered on October 5, 2015. In this regard, defendant is free to raise any issues he wishes regarding his convictions and sentences, including the restitution award, in his appeal in Docket Number 330211.
