

Court of Appeals, State of Michigan

ORDER

People of MI v Mario E Ingram

Docket No. **328709**

LC No. **99-000865-FC**

Michael J. Talbot, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file appellant's brief in support of application and remaining cures to defects (prisoner account statement for the last 12 months, and the April 22, 2015 lower court order being appealed) is GRANTED. Appellant's brief in support of application and remaining cures to the defects are due 28 days from the Clerk's certification of this order.
