

# Court of Appeals, State of Michigan

## ORDER

**People of MI v Amier Dashad Hill**

Docket No. **328290**

LC No. **14-034578-FC**

---

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

This Court lacks jurisdiction over this appeal as a matter of right because the June 25, 2015, judgment of sentence, which was based upon a plea of guilty or no contest to a crime committed after December 27, 1994, is not appealable as a matter of right. MCR 7.203(A)(1)(b). An appeal such as this must come by application for leave to appeal. See MCR 7.205(G)(5). However, because this matter has been pending since July 13, 2015, and briefs have been filed by both parties and the trial court record has been received, in the interest of fairness and judicial economy, on the Court's own motion, the claim of appeal is treated as an application for leave to appeal and granted. *Wardell v Hincka*, 297 Mich App 127, 133 n 1; 822 NW2d 278 (2012).
