Docket No. 328459

LC No. 14-019077-FH

The Court orders that the delayed application for leave to appeal is DISMISSED as MOOT. The MDOC paroled defendant on July 28, 2016. Defendant was then deported to Mexico on August 9, 2016. In light of these events, it is now impossible for this Court to fashion a remedy on remand and, therefore, the sentencing issue raised by defendant is moot. *People v Cathey*, 261 Mich App 506, 510; 681 NW2d 661 (2004); *People v Briseno*, 211 Mich App 11, 17; 535 NW2d 559 (1995). The appeal is now closed.
