

Court of Appeals, State of Michigan

ORDER

People of MI v Jonathan Joseph Good

Docket No. **329177**

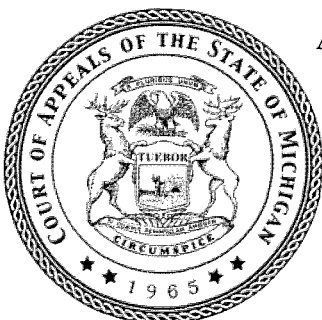

LC No. **08-006437-FC**

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to add issues to defendant-appellant's brief is DENIED because the scope of this appeal of right following remand in a prior appeal of right is limited by the scope of the remand. *People v Jones*, 394 Mich 434; 435-436; 231 NW2d 649 (1975). Further, while MCR 7.216 grants broad powers to this Court they would not be properly used to expand the scope of this appeal of right beyond that allowed by binding precedent. Accordingly, appellant's brief filed on December 17, 2015, is STRICKEN.

Within 21 days of the date of the Clerk's certification of this order, appellant shall file a replacement brief with arguments limited to the attorney fee issue that was the subject of this Court's remand in defendant's prior appeal in Docket Number 295538.

The time for filing appellee's brief shall be calculated under MCR 7.212(A)(2)(a)(ii) starting from the date of service of appellant's replacement brief.
