---

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED. Defendant-appellant has not demonstrated that further factual development of the record or an initial ruling by the trial court is necessary at this time in order for this Court to review the issues on appeal. However, defendant-appellant has preserved for appellate review the objection to the scoring of the sentencing guidelines raised in his motion to remand, provided it was not previously waived. MCR 6.429(C).
